Weddings & Receptions

NEXT STEPS

As you prepare to enter the covenant of marriage and take the step into a new phase in your relationship, it is our hope to come alongside you with encouragement and support, helping to provide you with the best experience possible.

Before a date is set for the wedding or any other plans made, the couple must contact the church office and arrange for an initial meeting with the minister. We will also provide the necessary forms to be read and signed including Wedding Information, Wedding Guidelines, and Building Use Policy and Agreement.

Because the church supports this important and serious commitment in your life, each couple is required to participate in a series of premarital conferences with the minister. These sessions will be spent getting to know each other, discussing the results of the Pre-Marriage Awareness Inventory, and planning the ceremony order of worship.
